# THE FACTORY

# TABLEWARE CERAMICS HAND MADE IN POLAND SINCE 1994

**We have been producing ceramics for over 30 years, combining artisanal precision with modern technology. Today, we transfer our experience to interiors - we present a collection of ceramics for the home.**

Our products are made in a factory where quality and attention to detail are unchangeable values. Each element of the collection is the result of carefully selected raw materials, precise manufacturing processes and design inspired by nature and contemporary lifestyle.

**Ceramics according to Your idea - Would you like to create your own project? We can do it in our factory in Poland!**

As the only company in Poland, we carry out the entire ceramics production process in-house, from project to packaging. We offer individual packaging for our products, for sets of mugs, occasional packaging and made for special orders.
